**REPLY TO OFFICE ACTION DATED APRIL 25, 2007**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The office action, mailed on April 25, 2007, included a restriction among claims 25-42, but did not address pending claims 1-24. Several telephone calls were placed to Examiner Jaworski seeking clarification of the restriction requirement, however, these telephone calls were not returned. Therefore, the undersigned is treating this restriction as if claims 1-24 are generic to each of the invention groups discussed in the office action.

In response to the restriction requirement, applicant elects Group III including claims 1-24 and 38-42 with traverse.

Respectfully submitted,  
RENNER, OTTO, BOISSELLE & SKLAR, LLP
